

Burn Fat for Cancer Research

For Immediate Release:

St. Jude Children's Research Hospital announced today that Thin & Healthy's Total Solution in Lima, Ohio will be conducting the 3rd Annual *Fat Burning for St. Jude* to benefit St. Jude Children's Research Hospital.

The money raised in this event helps to ensure that children with cancer and other life-threatening diseases have a better opportunity to live. Thin & Healthy's Total Solution is devoted to helping adults and children have a healthier, happier and more successful life.

In previous years the money raised at these events helped three children in Allen county and 209 children in the state of Ohio. Please join us in helping more children this year.

###

St. Jude Children's Research Hospital is internationally recognized for its pioneering work in finding cures and saving children with cancer and other catastrophic diseases. Founded by the late entertainer Danny Thomas and based in Memphis, Tenn., St. Jude freely shares its discoveries with scientific and medical communities around the world. No family ever pays for treatments not covered by insurance, and families without insurance are never asked to pay. St. Jude is financially supported by ALSAC®, its fundraising organization, through events such as *Fat Burning for St. Jude*. For more information, please visit www.stjude.org.
